### Anything Glass COVID-19/Coronavirus Action

Here at Anything Glass the health and safety of our employees and customers is taken very seriously in the time of the Coronavirus outbreak. We are prepared for this and are taking action. This entails taking our employees temperatures on a daily basis, wear latex gloves upon entering your home, jobsite or business, Wear 3M P100 respirators, proper eye wear, booties, all standard personal protective equipment. For commercial projects we will follow the Contractors safety plan. We are closely monitoring local and federal restrictions, guidelines and implications. There will be a new normal in these times of difficulty and we plan to evolve in any way possible to ensure that we can all stay healthy. On behalf of everyone at Anything Glass we want to thank you for all of your business and support.

Bryan Beninga – General Manager

THANK YOU FOR YOUR BUSINESS, WE TRULY APPRECIATE YOU!!
